RE: Electronic Recording Delivery System (ERDS) -- System Certification or Substantive Modification
Approved

Pursuant to the California Code of Regulations, Title 11, Division 1, Chapter 18, Articles 1-9, your application for either initial System Certification or a Substantive Modification was reviewed and approved. Please note the following:

- For initial System Certification – The enclosed issued System Certificate of Operation authorizes the implementation and operation of the ERDS. The County Recorder or his/her representative shall be responsible for implementing and operating the ERDS through administrative, physical and technical controls ensuring that all ERDS security requirements are met. In addition, the County Recorder shall oversee the assignment and delegation of said responsibilities by determining the necessary resources and means.

System Certificate of Operation #: 09SC001

Date of Issuance: 9/25/2009

- For Substantive Modification – Based on the review of the substantive modification, the ERDS Program is authorizing the removal of the provisional status. The enclosed issued System Certificate of Operation authorizes the activation of the modification and/or change in the ERDS operational environment.

System Certificate of Operation #: _____

Date of Issuance: _____

This certification shall remain in effect for the lifetime of the ERDS, unless a suspension is issued or a withdrawal request is submitted. The System Certificate of Operation is non-transferable and shall be
